9. CONFLICT OF INTEREST

- 9.1. The Company and the Selling Shareholders acknowledge and agree that that the members of the Syndicate and their respective Affiliates (with respect to each member of the Syndicate, a "**Group**") are engaged in a wide range of financial services and businesses (including investment management, asset management, financing, securities or derivatives trading and brokerage, insurance, corporate and investment banking and research). In the ordinary course of their activities, each Group may at any time hold "long" or "short" positions and may trade in or

otherwise effect transactions for their own account or accounts of customers in debt or equity securities of any company that may be involved in the Offer. Members of each Group and businesses within each Group generally act independently of each other, both for their own account and for the account of clients. Accordingly, there may be situations where parts of a Group and/or their clients either now have or may in the future have interests, or take actions, that may conflict with the Company's and the Selling Shareholders' interests. For example, a Group may, in the ordinary course of business, engage in trading in financial products or undertake other investment businesses for their own account or on behalf of other clients, including trading in or holding long, short or derivative positions in securities, loans or other financial products of the Company and its Subsidiaries, the Selling Shareholders, their respective Affiliates or other entities connected with the Offer. By reason of law or the rules of any regulatory authority, or duties of confidentiality owed to other persons, each Group may be prohibited from disclosing confidential information to the Company or the Selling Shareholders (or such disclosure maybe inappropriate), in particular information relating to the possible interests of each Group as described herein. In addition, there may be situations where parts of a Group and/or their clients either in the past or now, or may in the future, have interests, or take actions, or may represent other clients whose interests, conflict with or are directly adverse to those of the Company and/or the Selling Shareholders. The members of the Syndicate shall not be obligated to disclose any information in connection with any such representations of their clients or respective members of the Groups. Each member of the Syndicate and its respective Group shall not restrict their activities as a result of this engagement, and the members of the Syndicate and their respective Groups may undertake any business activity without further consultation with, or notification to, the Company or the Selling Shareholders. Neither this Agreement nor the receipt by the members of the Syndicate or their respective Groups of confidential information or any other matter shall give rise to any fiduciary, equitable or contractual duties (including any duty of trust or confidence) that would prevent or restrict such member of the Syndicate or its Group from acting on behalf of other customers or for their own accounts or in any other capacity.

- 9.2. Further, each of the Company and the Selling Shareholders acknowledge that each Group's research department may, from time to time, make statements or investment recommendations and/or may publish research reports or other materials, the substance and/or timing of which may conflict with the views or advice of the members of the Group's investment banking department, and may have an adverse effect on the Company's and/or the Selling Shareholders' interests in connection with the Offer or otherwise. Each members of the Syndicate's investment banking department is managed separately from its research department, and does not have the ability to prevent such occurrences. The Company and the Selling Shareholders waive and release, to the fullest extent permitted by law, any claims that the Company and/or the Selling Shareholders may have against the members of the Syndicate with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Company and the Selling Shareholders by such member of the Syndicate's investment banking divisions.
- 9.3. Members of each Group, its directors, officers and employees may also at any time invest on a principal basis or manage funds that invest on a principal basis, in debt or equity securities of any company that may be involved in the Offer (including of the Company in the Offer), or in any currency or commodity that may be involved in the Offer, or in any related derivative instrument. Further, each of the members of the Syndicate and any of the members of each Group may, at any time, engage, in the ordinary course, broking activities for any company that may be involved in the Offer.
- 9.4. The members of the Syndicate and/or their respective Affiliates may be representing and/or may have provided financial advisory and financing services for and received compensation from any one or more of the parties which are or may hereafter become involved in this transaction. The members of the Syndicate and/or any member of their respective Groups may, now, or in the future, seek to provide financial services to and receive compensation from such parties. None of the relationships described in this Agreement or the services provided by the members of the Syndicate to the Company and the Selling Shareholders, the receipt by any member of the Syndicate or its Group of Confidential Information or any other matter shall give rise to any fiduciary, equitable or contractual duties (including any duty of confidence) which would preclude or limit in any way the ability of the members of the Syndicate and/or any member of their respective Groups from providing similar services to other customers, or otherwise acting on behalf of other customers or for their own respective accounts. The Company and the Selling Shareholders, severally and not jointly acknowledge and agree that, by reason of law or duties of confidentiality owed to other persons, or the rules of any regulatory authority, each Group may be

prohibited from disclosing information to the Company or the Selling Shareholders (or such disclosure may be inappropriate), including information as to each Group's possible interests as described in this paragraph and information received pursuant to client relationships.

10. INDEMNITY

- 10.1. Each member of the Syndicate (only for itself, and not for the acts, omissions or advice of other members of the Syndicate) shall severally and not jointly indemnify and hold harmless each other member of the Syndicate and each of their respective Affiliates, associates and their employees, directors, managers, representatives, agents, successors, permitted assigns and advisors, at all times, from and against any claims, actions, losses, damages, penalties, expenses, interests, suits or proceedings of whatsoever nature made, suffered or incurred consequent upon or arising out of any breach of any representation, warranty or undertaking or in the performance of the obligations by such member or arising out of the acts or omissions of such member of the Syndicate (and not any other member of the Syndicate) under this Agreement, in each case including breach of the representations and warranties, undertakings and covenants in this Agreement by any Sub-Syndicate Members appointed by such member of the Syndicate (and not any Sub-Syndicate Members appointed by any other member of the Syndicate).
- 10.2. Notwithstanding anything contained in this Agreement and under any circumstances, the maximum aggregate liability of each member of the Syndicate pursuant to this Agreement (whether under contract, tort, law or otherwise) shall not exceed the fees (excluding any commission, net of expenses, taxes and out of pocket expenses) actually received by the respective member of the Syndicate for the respective services rendered by them pursuant to this Agreement, the Engagement Letter and the Offer Agreement, each as amended.
- 10.3. The members of the Syndicate shall not be liable for any indirect and/or consequential losses and/or damages and in no event shall any member of the Syndicate be liable for any remote, special, incidental, punitive or consequential damages, including lost profits or lost goodwill.
